

ProfMatch

Joan Schagon

Moritz Seeger

What problem are we solving?

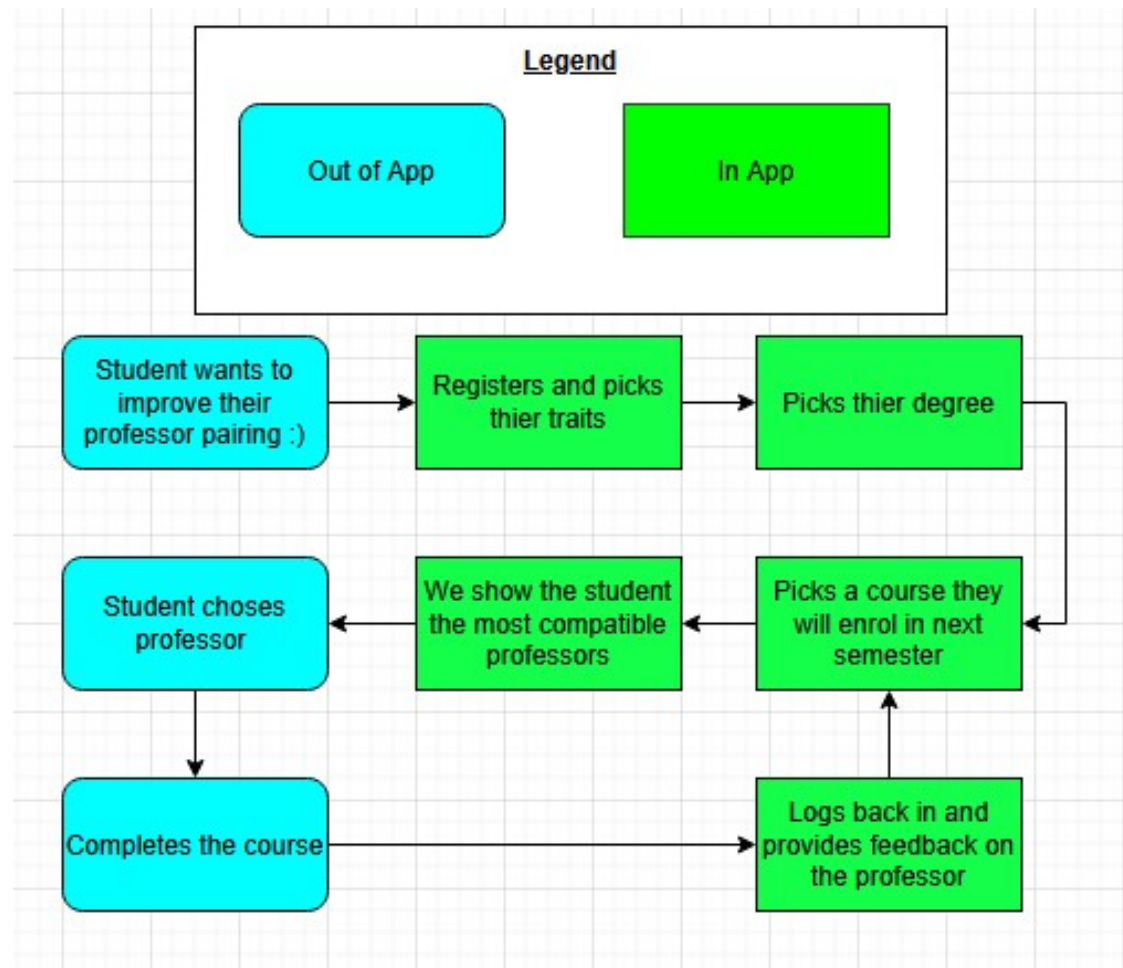

- MeinProf was shut down in 2024 following a lost lawsuit in the Berlin courts
- No working alternative has been created
- We address and combat the legal issues that MeinProf faced (University specific, removing “1-5 rating”, the university is the admin)
- Students and professors are often mismatched
- We provide a benefit for everyone

The happy path

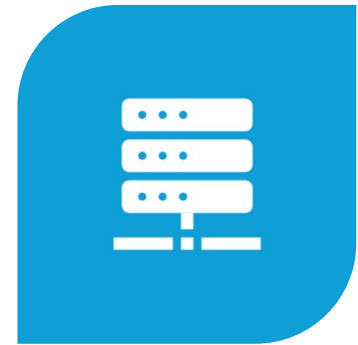

Our priorities

FIX SOME RECENT AND ONGOING
COLABORATION ISSUES WITH GITHUB

IMPROVE FEATURES,
INCREASE USABILITY
MAYBE SWITCH DATABASES

ADD SOME “NICE TO HAVE” FEATURES
(USER FEEDBACK ETC.)
